

Born from Love and Devotion to Pets

Majes is committed to bringing love and science to every bowl. Our focus lies in the research & development, manufacturing, and sales of dry food, treats, and supplements for pets. We provide your beloved pets with high-quality nutrition, backed by science and a deep understanding of their unique needs, ensuring they receive the best possible care.

Born in Singapore, Majes was created out of love for cats and dogs, with a mission to provide pets in tropical regions with the finest nutrition. With expert formulation from top U.S. nutritionists, our food is precisely crafted to meet the unique needs of tropical pets, helping them thrive against regional challenges with suitable nutrition.
